SCOPE:

The principal objective of the current *Kenya National Bibliography* (KNB) is to record comprehensively and accurately the bibliographic data of all the books, research reports, conference proceedings, pamphlets, maps, current serial titles (including annual reports, year books, biennials, etc.) on first appearance and subsequent name/title changes, selected audio-visual and other non-print materials etc., published in Kenya. Foreign publications of interest to Kenya, by subject or otherwise, and foreign works by Kenyan nationals are also included. Asterisks(*) appear against all foreign imprint materials in the main Classified Subject Sequence. Brochures, routine government publications (parliamentary bills, amendments of bills, parliamentary debates, individual acts etc.), programmes, advertising matter/trade literature, and other ephemeral publications are omitted.

Publications produced locally by international intergovernmental and private organizations (United Nations Environment Programme, International Laboratory for Research on Animal Disease, United Nations Centre for Human Settlements etc.), based in Kenya are not included in the KNB, except for materials by these agencies with significant Kenyan subject content. However, all publications with Kenyan imprint emanating from regional organizations (African Development Bank, East African Wild Life Society, African Medical & Research Foundation etc.) based in Kenya are included in the bibliography.

The 1980 annual marks the beginning of the current KNB. Works published in 1979 and before constitute materials for the retrospective KNB. The current KNB lists basically Kenya's imprint and foreign 'Kenyan' materials produced in any one year. Publications missed in either the current or the retrospective KNB are recorded in the subsequent editions/cumulations.

Only new serial titles and name/title changes of current periodicals are included in the KNB. *Kenyan Periodicals Directory* (KPD), a sister publication of KNB lists titles of current serials and periodical cessations in two separate classified subject sequences.

Bibliographic data used in the compilation of the KNB is based on the publications received at the Kenya National Library Service from the Office of the Registrar General under the *Books and Newspapers Act* (Legal Deposit Law), revised edition, 1980. Government publications and other items acquired through purchase, exchange or as donations/gifts, for the Kenya Collection (Kenyan) of the Kenya National Library Service, also supplement the legal deposit materials in the compilation of the KNB.

The National Reference & Bibliographic Department also plans to issue a number of other bibliographies to complement the coverage of the *Kenya National Bibliography*.

FREQUENCY:

The current KNB is an annual publication.

ARRANGEMENT:

The bibliography consists of a Classified Subject Sequence of main entries, and an alphabetical Author & Title Index which provides multiple access points to the main entries via title, as well as names of personal and corporate authors, joint authors, translators, editors, compilers, and illustrators. Series are also listed in the alphabetical index. There is no alphabetical subject index. Subject access is via the summary of the *Dewey Decimal Classification*, 19th edition (the 100 divisions) given in the preliminaries of the KNB,

The number in square brackets at the bottom right hand corner of the entry in the main Classified Subject Sequence (for example, [KE80-142]) is the publication's serial number in the KNB. This is the *Kenya National Bibliography number*. KE is a country code for Kenya, 80 shows that the publication appears in the 1980 KNB annual and 142 is the serial number given to this item in the bibliography,

CATALOGUING PRACTICES:

Entries in the main Classified Subject Sequence are catalogued according to the requirements of the *Anglo-American Cataloguing Rules*, 2nd edition, 1978. Descriptive format follows the International Standard Bibliographic Description (ISBD).

CLASSIFICATION SCHEME:

KNB main Classified Subject Sequence entries are arranged according to the *Dewey Decimal Classification* (DDC), 19th edition. Parts of DDC literature number (Class 800) are slightly modified in order to accommodate fiction in indigenous languages. Extensions in the form of abbreviated names of local language appear in the DDC notations. For example, 896.3923Kis means fiction in kiswahili.

The abbreviations used are:

Ajuram	Aju	Kiswahili	Kis	Riverine	
Bajun	Baj	Kuria	Kur	(Pokomo)	: Riv
Boni(Sanye)	Bon	Luhya	Luh	Sabaot	: Sab
Boran	Bor	Luo	Luo	Sakuye	: Sak
Degodia	Deg	Marakwet	Mar	Samburu	: Sam
Elgeyo	Elg	Masai	Mas	Somali	: Som
Embu	Emb	Mbere	Mbe	Taita	: Tai
Gabbra	Gab	Meru	Mer	Taveta	: Tav
Gikuyu (Kikuyu)	Gik	Mijikenda	Mij	Tharaka	: Tha
Gosha	Gos	Nandi	Nan	Tugen

Gusii (Kisii)	Gus	Njempis	Nje	Turkana	: Tur
Hawiyah	Haw	Ogaden	Oga		
Iteso	Ite	Orma	Orm		
Kamba	Kam	Pokot	Pok		
Kipsigis	Kip	Rendille	Ren		

Letter 'F' is also added to the classification numbers for all fiction in foreign languages.

FILING:

The Author & Title Index is filed according to *ALA Rules for Filing Catalog Cards*, 2nd edition, 1968.

PRICES:

Prices given in the classified entries are those current at the time of publication, and are quoted in Kenya shillings (KSh.). These are subject to change without notice.

PUBLISHERS:

An alphabetical list of publishers and their addresses is given after the Author & Title Index.

FORMAT AND LEVEL OF DESCRIPTION IN A TYPICAL KNB ENTRY:

The fullest information about a book is given in the main Classified Subject Sequence. These include the form of name used by the author in his books, the number of pages, the kind of illustrations, the size, the ISBN (when available) and the price. A shorter entry is given in the Author & Title Index under the name of the author, including title, edition (other than the 1st), DDC notation and KNB main entry serial number.

An example of a fully explained entry:

The main entry heading for this book is the author: MAZRUI, Ali A. The title is: *The African condition: a political diagnosis*, and is written by Ali A. Mazrui. It was published in Nairobi and London by Heinemann Educational Books in 1980. There are xviii pages before the text and 142 pages of the text proper. The volume is approximately 22 centimetres in height. It was published as part of a series entitled Reith lectures, and was chronologically numbered 1979 to distinguish it from the other works in the series. The book also has an index. A paperback International Standard Book Number (ISBN) 0-435-96524-7 has been assigned to this book. Its price at the time of publication was Kenya shillings (KSh) 60.00. The book has other entries under the title (The African condition: a political diagnosis) and also under the series (Reith lectures; 1979) in the Author & Title Index in this bibliography. This title is one of the 1980 publications acquired for the compilation of the KNB, and is given serial number 142 in the 1980 KNB annual.

ACKNOWLEDGEMENT

The co-operation of the National Reference & Bibliographic Department staff of the Kenya National Library Service towards the preparation of this KNB is deeply appreciated.
